

BY WILSON OF CASS.]

[JOINT RESOLUTION.

JOINT RESOLUTION.

Be it resolved by the General Assembly of the State of Iowa:

First. That it is the sentiment of this Assembly that any increase in the rate of postage
2 upon 4th class mail matter, which includes seeds, bulbs, scions, cuttings, plants, etc., would
3 work very much to the detriment of the people of this State and the west generally, and we
4 protest against any action by the Congress of the United States, which would have the ef-
5 fect to make any increase of the rate of postage upon the class of mail matter referred to.

Second. That our senators and representatives in Congress be requested to use all proper
2 means to prevent any such legislation.

Third. That this resolution be printed and a copy of the same be sent to each of our mem-
2 bers of Congress.
